REGIONAL ICS - briefed the Regional Incident Coordination Team on the current status of the PAVE positions on the regional IMTs. Assisted with message to send to all PAVE personnel requesting that they either re-enlist as IMT members or submit resignation of PAVE position.

WESTBANK ASBESTOS - discussed latest Project FOIA and files that are questionable of being releasable or not. Signed off on latest FOIA being released. Coordinated with site attorney and GIS regarding producing a property map of the Johns-Manville facility in Marrero, LA for the latest response to the RP for cost recovery.

BIOWATCH- coordinated with START and other OSCs regarding current status and future plans especially with relation to travel plans.
